FOREWORD

—:—:—:—

Miller Bedford invited a group of gun collectors to his home on August 8, 1937, with the thought of forming a club for the exchange of information. Thus was born the Ohio Gun Collectors Association. At this meeting Miller Bedford was elected President and Terry Brown was chosen to be Secretary-Treasurer. This small group has now grown to a body with almost 3,000 members, from nearly every State in the Union, many from our good neighbor, Canada, and some from abroad.

In 1949, the group was incorporated as an Ohio non-profit corporation, with membership open to any reputable American citizen over 18 years of age, without a criminal record, and duly sponsored. The entrance fee is now $5.00, which includes the initiation fee, and dues for the balance of that year.

The Annual Dues are $3.00 per year thereafter.

A Life Membership is obtainable at $50.00.

Meetings are held in different Ohio cities, not to exceed six times a year. Three are held in Columbus, two in Canton and one in Toledo, the only areas where enough space is presently available. Our Columbus shows have had over 615 tables occupied with more table requests than could be accommodated.

At each meeting, an Officers and Board of Directors meeting is usually held on Saturday. At this meeting, all policy-making decisions not requiring the vote of the membership are made. The general business meeting on Sunday deals with matters of importance to the membership, or requiring the vote of all members.

The meetings are not open to the general public, but are open to members in good standing of recognized Arms Collector organizations and a limited number of Guests.

The Ohio Gun Collectors Association encourages its members to bring and display rare and unusual items from their collections.

Passed July 25, 1948:

The following rules were drawn up by a special Committee appointed for this purpose. They were adopted as printed below:

Subject: Report of Committee

The Committee on Exhibits and Safety, in consideration of the need for regulation of exhibits for the purpose of restoring the meetings of the Association to the original intent, and for the protection of members and guests, has prepared the following recommendations. The matter of Safety is considered of prime importance, as an accident that would result in serious injury or death to any individual would likewise immediately terminate the Association.

SECTION I

Safety Rules

No member or other persons shall during the continuance of a meeting of this Association, and upon the premises where such meeting is held, display or show a loaded or primed firearm or air gun, nor shall any member or other persons place any charge, whether blank or ball or empty case, in the barrel, chamber, cylinder, or magazine of any arm upon said premises during such time. Nor shall any member or other person place any percussion cap, tube, pill or any other priming device in or upon a firearm on such premises during such time.

Neither shall any member or other person bring on the premises during such time any explosive other than small arms ammunition, except, gun powder for use in small arms which may be admitted only in sealed metal containers, and primers for small arms, or small arms ammunition in standard packages.

Neither shall any member or other person bring on the premises during such time any cartridge, bullet, shell, grenade, or rocket, or any other explosive device not produced for use in small arms, nor any explosive that is sensitive to detonation normally in any way other than by discharge in small arms, nor any gas shell or gas container of any kind.

Neither shall any member or other person bring on the premises during such time any edged weapon in the form of bayonet or knife, having spring-operated joints or of the "snap-open" variety, unless the release mechanism has been made safe by sealing by the use of tape or in some other manner as the Safety Committee may approve.

Neither shall any member or other person bring on the premises during such time any edged weapon in "Razor Sharp" condition or of a sharpness that might through normal handling result in cutting, unless such weapon is sealed in a scabbard or sheath so as to be safe.
May 4, 1958:

All full automatic weapons exhibited at our meetings must be deactivated according to Government specifications or if in firing condition, owned by licensed Machine Gun Dealer—for display only or sale to licensed Machine Gun Dealer of Law Enforcement Agency, and so labeled.

SECTION II

Penalty for Violation of Safety

The Committee appointed by the duly authorized officers of this Association or any member of said Committee, or any officer of the Association, may order any violating member or other person to immediately remove his exhibit from the premises. Such violation shall be reported to the Committee and the officers of the Association who may declare the individual, if a member, in suspension of his membership, or if a non-member bar him from exhibiting at any future meeting of the Association.

Any member or other person who has been barred or suspended may appeal to the President, who may see fit to consider the matter in conjunction with the Directors, and either remove the suspension or disbarment or sustain such penalties. The decision of the President and Board of Directors shall be final in all such matters.

SECTION III

Permitted Exhibits

1. Small arms: weapons intended to be fired from the hand or shoulder by a single individual and complying with all Federal, State and Local Laws.

2. Ammunition for small arms, including components and materials for same.

3. Accessories and attachments for small arms, including sighting, carrying and cleaning equipment, and supplies, and ammunition and accessory belts, boxes and kits.

4. Personal equipment used in shooting, including spotting scopes, binoculars, shooting glasses and similar related items.

5. Targets, scoring devices, score books, and bullet traps.

6. Parts for small arms, including material for the manufacture of parts.

7. Tools, including gages, bullet molds, reloading tools, and any tools or small machines peculiar to the use, maintenance, repair, examination, or production of arms.

8. Edged weapons.

9. Bows, arrows, cross-bows, arrowheads and similar items.

10. Books, literature, and photographs or pictures related only to small arms or ammunition or their use or manufacture.

11. Any other article, articles, or devices that can be shown to be properly related to the activities of The Ohio Gun Collectors Association.

12. Muzzle loading replicas are allowed.

SECTION IV

Prohibited Articles

1. Any item not admitted under the above section is prohibited for exhibit at meetings of the Association.

2. Weapons or munitions too large to be classed as small arms, or in any way illegal.

3. Motors, tools, machinery, and similar equipment intended for general use not specifically peculiar to manufacture or maintenance of small arms.

4. Cameras and photographic equipment.

5. Timepieces, jewelry, pens, pencils, pocket knives, razors and all items of a similar nature.

6. Jewels, gems, and minerals.

7. Stamps.

8. Coins.

9. Bottles, glassware, china and similar items.

10. Fishing, hunting, athletic and sports equipment generally.

11. Books, pictures, and literature not related to small arms, edged weapons or Indian relics, or the activities of The Ohio Gun Collectors Association.

12. Horse and riding equipment.

13. Clothing of all types, including walking sticks and canes.

14. Any item barred by Safety Rules.

15. Any other article or articles which are patently not related directly to the activities of The Ohio Gun Collectors Association.

16. The O.G.C.A. reserves the right to prohibit or limit the quantities of modern firearms of any make or model offered for sale or trade. October 26, 1963.

17. No brand new firearms, ammunition and related accessories that are commercially available at retail dealers may be displayed or sold at future meetings of OGCA. Brand new merchandise commercially available to the general public cannot be defended as "collector items" and OGCA does not intend to be in competition with bona fide retail dealers. October 26, 1963.

SECTION V

Penalty for Violation

Any member of the Association or other person found exhibiting prohibited items at a meeting or on the premises of a meeting may be requested by any member of the Committee appointed to enforce such rules, or any Officer or Director of the Association, to remove the offending items immediately. Failure to comply, or repeated violations, will result in suspension of membership or disbarment from meetings. Action by the President and Board of Directors shall be final.

The Committee on Safety and Exhibits recommends that if the above suggestions are adopted they be prepared in printed form for the information of all members and be displayed publicly on the premises at all meetings.

The privilege of appeal is recommended under Section II, Penalty for Violation of Safety, as it is realized that the Exhibitor may be a victim of the actions of others. Violation of rules of Exhibit are the planned act of the Exhibitor and no appeal is justified.

We recommend that the President appoint a Committee of an appropriate number, not of the Host Club, to enforce Safety and Exhibit rules for each meeting; this Committee to be supplied with a Book of Rules which also includes space for recording amendments, and a diary of meeting, with record of violations and warnings.

We also recommend that all Exhibitors be required to identify their formal displays and suggest that a Printed Form Card be supplied for this purpose.

Signed,

Committee on Safety and Exhibits
